

# **WASLI 2011 Conference Proceedings**

**February 10, 2014**

Greetings WASLI members,

The WASLI 2011 Conference Proceedings are now available for purchase through our website.

Go to: <http://wasli.org/your-wasli/publications> .

Our sincere thanks to the editors, Brendan Costello, Mary Thumann and Risa Shaw, who worked with the authors to produce an excellent volume of papers that were presented in Durban, South Africa. This time around WASLI has decided to go with an electronic version, which saves the organization the expense of printing and shipping, and allows for quicker access to the information. For those from developing countries, the proceedings is available for \$5.00, and for WASLI members in developed countries, \$15.00. Funds raised from the sale of the conference proceedings will be used to support the WASLI 2015 conference, and we are pleased to announce that the 2015 conference electronic proceedings will be included in the cost of registration.

I would also like to thank Patrick Galasso, our tireless volunteer webmaster, for spearheading this new way of selling our proceedings.

Thank you all for your support as together we develop the field of interpreting in every region of the world.

Sincerely,

Debra Russell

President on behalf of the Board of Directors
